ERYN JACKSON, PARTNER

Eryn practices in the areas of Business Law, Real Estate and Wills and Estates. She regularly provides advice to business owners and individuals on their business and personal planning needs.

Her previous legal experience includes Family Law, Child Welfare and Civil Litigation, which allows Eryn the ability to bring a different and broader perspective to her clients' legal matters.

One of Eryn's passions is giving back to the community and she is very active volunteering with various committees, groups and societies on a weekly basis. She is often seen giving informative presentations throughout the Lower Mainland.
