4000+ PARTICIPATE IN HUB CYCLING'S BIKE THE NIGHT; BC'S LARGEST RBS SPONSORED NIGHT RIDE

HUB Cycling's 3rd Annual Bike The Night event which took place on September 15th was a resounding success. Thousands of cyclists supported the largest night ride in our province - a flagship initiative of HUB's, an organization our firm has endorsed and supported since its inception.

Pictured below from top to bottom:

RBS team members celebrate during the pre-party at Concord Pacific Place where attendees decked out their bikes with lights, bells, and whistles.

Personal Injury Practice Group Leader David W. Hay, Q.C., who spearheads the firm's HUB Cycling relationship is on the main stage addressing the crowd of thousands who participated, while RBS team members, IT Manager Shirley Madden (right), and Senior Personal Injury Lawyer, Michelle A. Quinn, demonstrate their support of a worthy initiative.

For more information on this event, or any of HUB Cycling's other awareness initiatives, visit their website here. For questions on Bike Law, or other general Personal Injury inquiries, contact David W. Hay, Q.C. at dhay@rbs.ca.
