## **BUYING OR SELLING A BUSINESS? THERE IS STILL TIME TO ATTEND! REGISTER NOW AND LEARN KEY STRATEGIES TO CLOSE THE DEAL**

Whether you are buying or selling a business, bringing in a strategic partner, or transitioning to the next generation, negotiations involving private company transactions can be complex and multifaceted. Too often, business owners enter into these major changes without a clear plan and, as a result, miss the opportunity to achieve the best possible outcome for all parties.

On October 11th, join the M&A Advisory Teams of RBS and Smythe Advisory, along with a representative from Promerita Group, for a panel discussion focused on effective strategies to address contentious negotiating points, avoid common pitfalls, and bridge the gap between parties to successfully close a deal. This one-hour panel session will be followed by a wine and cheese networking reception.
