C. NICOLE MANGAN A PRESENTER AT VANCOUVER REAL ESTATE LEASING & STRATEGY CONFERENCE

Rights and remedies are an established common element of commercial real estate leases that are at times contentious issues for landlords and tenants. As a panelist, Nicole Mangan will examine a range of issues including what tenants are asking for and why in today's market, how landlords are responding, common conflicts between a landlord and a tenant over special rights and how they can be avoided.

Learn how these issues and more are addressed from the perspective of a landlord, a tenant, and a litigator in today's market conditions by registering for this upcoming Real Estate Conference: <https://bit.ly/3zvu2n4>
