DAVID HAY Q.C. PRESENTS AT CYCLE CITY VANCOUVER'S WINTER EVENT SERIES

To celebrate the launch of their new bike shop, Cycle City Vancouver is featuring a speaker series to engage the downtown bicycle and business community through a diverse range of presentations. David will be a featured presenter for their inaugural event on December 3rd and he will discuss bike infrastructure, city planning, and the law, providing advice on what cyclists should do if a collision or injury occurs when riding a bicycle in Vancouver, while also dispelling some of the misinformation that exists.

David leads the firm's Personal Injury Group, and was recognised by The Georgia Straight for 2018 and 2019 as Vancouver's Best Bike Lawyer.
