HAPPY INTERNATIONAL BEER DAY!

International Beer Day was created in 2008, and takes place annually on the first Friday in August. It is a global celebration for beer lovers to rejoice in the production and consumption of beer. Whether you are considering starting a brewery or a distillery, are outgrowing your initial system and space, or are looking at selling your interest in an established operation, our dedicated team of beer and distillery lawyers are available to assist with all of your legal needs.
