LIKE IT OR NOT, LEGALIZATION OF MARIJUANA IS COMING. AS AN EMPLOYER, ARE YOU READY?

Please join the Employment and Human Rights group as they present:

It's Almost Here - Legalization of Cannabis Marijuana and Its Impact on the Workplace What Employers Need to Know

This seminar will provide an overview of the legal issues and practical considerations surrounding the new and emerging status of medical marijuana in Canada. In particular, members of the Group will discuss how employers will be faced with the issue of marijuana in various scenarios: accommodating employees who have legal permission to consume marijuana for medical purposes, handling addiction issues, dealing with employees who are impaired by marijuana at work and updating policies and procedures.
