LOUD SHIRT DAY

The staff of Richards Buell Sutton raise money in support of the Children's Hearing & Speech Centre of BC by participating in Loud Shirt Day.

For Loud Shirt Day, RBS staff proudly wore their loudest shirts at the office for one whole day! Funds were raised by participant donations and by staff donating in order to vote on their favorite shirt.

At the end of the day, and after many good laughs, Richards Buell Sutton was able to raise \$116.00 for the Children's Hearing & Speech Centre!
