OUR COMMUNITY MATTERS TO PHARMASAVE

Pharmasave, one of Canada's leading independent pharmacy and drugstore retailers, is hosting their Charity Golf Classic today at the Morgan Creek Golf Course to raise funds for VarietyBC. Business Lawyer and Partner, Sze-Mei Yeung, will be in attendance as our firm representative to proudly show our support.

Proceeds from this tournament are used to help children who have special needs in our province, and Pharmasave alone has raised nearly one million dollars to date for this cause. Congratulations to Pharmasave for their positive contributions, and for making a difference in our community.

For more information of all the organizations they have supported, [click here](#).
