## **RBS SPONSORS ROCK THE PACIFIC FUNDRAISER**

This music event, taking place on October 17th at Hastings Park supports impoverished families in Nicaragua and the Dominican Republic by building homes which offer better protection against flooding, earthquakes and disease.

Our lawyers have supported this initiative for four consecutive years, through our sponsorship. Insurance lawyers Nicole Mangan and Ola Stoklosa will be in attendance representing our firm's commitment to the cause.

Read about the initiative [here](#).
