## **RBS PRESENTS A U.S. PERSPECTIVE ON MARKET TRENDS AND TAX REFORM**

Sze-Mei Yeung, who heads our Mergers & Acquisitions team, and Silvana Facchin, Manager of our Corporate Services Department, will facilitate a discussion on the effects of recent U.S. tax reform and market trends in mid-market mergers & acquisitions at the upcoming Association for Corporate Growth (ACG BC) Luncheon. The discussion will feature the following attorneys from the Seattle office of Davis Wright Tremaine (DWT) LLP who will present their perspectives on this topic: Sean McCann, chair of DWT's Corporate and Business Transactions practice advises on significant deals having a particular focus on complex acquisitions, dispositions, mergers, joint ventures, and restructuring; and Pamela Charles, advises on federal tax matters, and on a variety of business transactions with emphasis on mergers and acquisitions, debt and equity financings, restructuring and financial products.

RBS' business lawyers provide strategic advice in all aspects of buying and selling a business, from negotiation to implementation in an efficient manner to achieve our clients' goals. Learn more about our business services [here](#), or [click here](#) to register for this session.
