RICHARDS BUELL SUTTON EXCLUSIVE LEGAL SPONSOR OF THE 2012 RBC GRANFONDO WHISTLER

For the second year in a row, Richards Buell Sutton owns the start line for the RBC Granfondo Whistler on Saturday, September 8, 2012! Over 40 firm members, friends and family woke up at the crack of dawn to support the RBS team riders and all other participants of this year's event along the start line.

The RBC Granfondo Whistler is a 122 km cycling event that tours along the Sea-to-Sky highway, with 7,000+ participants! Along with volunteers at the start line to send the racers off, RBS will have a team of ten, made up of our very own lawyers and clients, challenging the route. Our firms' participation in last year's event was a major success and we expect this year will be even bigger.
