SUPPORTING OUR LOCAL COMMUNITY THROUGH VOLUNTEERISM

This week our team participated in a food sorting initiative, collaborating with Food Bank staff to sort donations for food distribution. Our lawyers, management and staff have invested 1000+ hours of their personal time, and partners have donated a substantial financial contribution over the past decade to the Greater Vancouver Food Bank allowing for the purchase of over \$600,000 worth of nutritious foods for those less fortunate. Providing assistance to about 28,000 people weekly, 25% of those who benefit are children and 35% are seniors.

We welcome you to join us in an upcoming food sorting event. If interested, please email us at rbs@rbs.ca.
