Since her call to the bar in 2022, Recky has practiced in insolvency where she has experience assisting both debtors and secured creditors in foreclosure proceedings and asset recovery and realization. She also practices in estate litigation and has experience assisting executors and beneficiaries in defending against wills validity and wills variation claims.

Recky earned her B.A. in Economics from The University of British Columbia and her J.D. from the University of Victoria, where she was actively involved as a Law Student Society Representative and VP of Events for the UVic Business Law Association.
