ADAM LEWIS RECEIVES LIFETIME ACHIEVEMENT AWARD

Congratulations to RBS firm client, Adam Lewis, founder of Ecofish Research Ltd., on receiving the Lifetime Achievement Award from Clean Energy BC (CEBC), an association that represents industries in the clean energy market. Adam was recognized for his exceptional leadership, and for implementing excellent environmental standards representative of today's industry.

Ecofish Research Ltd. partners with industry, government, and First Nations, and is comprised of over 100 staff who lead initiatives in B.C., across Canada, and internationally.
