## **AN IMPORTANT MESSAGE IN THE EVENT OF A POSTAL STRIKE**

If there is an interruption in postal service, we will continue to advance your legal matter in the normal course and in doing so, we may communicate with you via e-mail more frequently. Kindly ensure your lawyer has your current e-mail address. You can access our lawyer directory [here](#). Please note that you may wish to send important or original documents to our office by courier during this time. Likewise, it may be necessary for us to deliver documents to you by courier if they are time sensitive.

Allow us to also remind you that we accept bill payments online through our website here. In the event of a prolonged postal service disruption, please visit our website's news page for important updates.

We appreciate your patience and cooperation, and we thank you for your business.
