## **AS YOU EVOLVE, WE EVOLVE. CELEBRATING 145 YEARS OF PASSION, PURPOSE AND PROGRESS WITH AN UPDATED LOOK.**

You, our clients and friends, inspire us regularly. That inspiration has driven us to evolve our visual identity and website into a new look that reflects who we are today, after 145 years of practicing law. It also represents who we are as a firm - experienced, effective, strategic and thoughtful - and acknowledges the trust that you place in us.

Practically-speaking, you'll find the new RBS website is easy to navigate on all devices, intuitive in design, and simplifies your search for all our expertise and people. If you prefer to engage with us, or get the inside scoop, come and join us on LinkedIn and twitter. We're there and waiting for you.

Explore the pages within and learn more about your law firm and our people.
