We're celebrating the opening of Juniper, Chinatown's cool new kid on the block! A brand new space of 2,800 sq. ft. on two levels, this highly anticipated restaurant opens this week by energetic restaurateur Lilian Steenbock. Veteran chef Sarah Stuart is leading the food program that will focus on local ingredients and will include sharing plates, a house pickling program and weekly charcuterie and fish boards. We can't wait! Join us at 185 Keefer St. Reservations can be made here: <http://www.junipervancouver.com/>.
