## **EMPLOYMENT AND HUMAN RIGHTS GROUP DONATE PROCEEDS TO CKNW KIDS' FUND**

Our Employment and Human Rights team of lawyers hosted a seminar for a wide range of attendees, including HR Professionals. The importance of having a Bullying and Harassment Policy in the workplace was one of the topics covered, and proceeds from attendee registrations was donated to the CKNW Kids' Fund; an association that supports vulnerable kids in BC who have physical, mental and social challenges.

To learn how you or your company can support this organization, visit <https://www.cknwkidsfund.com/about-us/>.

Should a seminar of this nature be useful for your organization, please contact any member of our Employment team.
