GOOD LUCK TO THE NEWEST STUDENTS ENROLLED IN THE RBS BUSINESS LAW CLINIC

The Richards Buell Sutton Business Law Clinic provides law students with an educational opportunity to use their substantive understanding of business law in a clinical setting for the benefit of the public. It provides business-oriented legal advice to small businesses, entrepreneurs, non-profit organizations, and individuals who cannot otherwise afford legal advice while allowing students to gain practice skills, a deeper understanding of professional ethics and responsibility. From all of us at RBS, cheers to a successful year ahead!
