HOMER STREET CAFÉ OPENS TO RAVE REVIEWS

Congratulations to our client the Amacon Group who own Tableau Bar and Bistro near Coal Harbour, who are poised to open another must-visit restaurant. The Homer Street Café <http://www.homerstreetcafebar.com/>, is located at the corner of Homer and Smithe in downtown Vancouver, and opens July 2, 2013. Two of our partners enjoyed a sneak taste-test and vow to return — again and again and again.

Congratulations, Amacon!
