## **“MAKE NICE” AND SPREAD KINDNESS ON PINK SHIRT DAY**

On February 22, people across British Columbia will be wearing pink to raise awareness and support anti-bullying initiatives. Pink Shirt Day has raised over \$1.5 million for anti-bullying programs since its inception. Bullying can happen anywhere including schools, workplaces, homes, and over the Internet.

At RBS, we aim to provide a supportive and nurturing culture for our staff and lawyers by encouraging a wellness-oriented environment and through a respectful, collegial, and enjoyable atmosphere. We are proud to support Pink Shirt Day and stand up against bullying. Find out how you can support here.
