PARMEET SIDHU LEADS THROUGH VOLUNTEERISM

Khalsa Aid is an international NGO that provides humanitarian assistance in times of disaster. During BC's devastating fires in 2021, Accounting Team Member, Parmeet Sidhu, and volunteers from the Vancouver chapter delivered food, water and generators to the Siska, Kanaka and Skuppah Indian Bands. During the recent floods in this same year, they sent supplies and clean water to residents of Merritt, and support for Migrant Farm Workers in Abbotsford is Khalsa's next mission.
