## **RBS BACKS CLIMATE SMART IN AN EFFORT TO SUPPORT CLIMATE CHANGE ACROSS CANADA**

RBS was a legal supporter of Climate Smart's ground-breaking project to tackle climate change. In association with the Government of Canada's Low Carbon Economy Fund, four businesses across Canada will transform their operations and drastically reduce their emissions and energy use. This will result in a reduction of over 1.3 million tonnes of CO<sub>2</sub>e, and over 306,000 GJ less energy consumed over the lifetime of the projects.

Learn more about this initiative funded in part by the Government of Canada here:
