RBS DONATES \$30,000 TO 3 LOCAL ORGANIZATIONS

Each year, our Charitable Giving Campaign provides financial support to organizations making meaningful differences in our communities.

\$5,000 donations were made to the Surrey Food Bank for their Tiny Bundles Program which included formula, diapers and wipes, baby cereal and jar foods, and baby toiletries, and the Surrey Hospitals Foundation where Surrey residents and those south of the Fraser can receive care closer to home at Surrey Memorial Hospital.

As 2023 comes to a close, our third and final donation of \$20,000 (which is triple-matched) supports the amazing work of Covenant House Vancouver (CHV). On behalf of RBS, Sharon White K.C. says this: *“We admire and appreciate the diligent efforts to improve the lives of youth around us, and are inspired by their unwavering commitment to serve all youth with absolute respect and unconditional love. To listen to the youth whose lives have been impacted by the services and programs encourages each of us to get involved, and offers us hope that we can make a positive difference. We care about this community where we live and work, and raise our families in. It is one of our core values to participate in making our community a better place and to us, that means ensuring services are in place for youth facing homelessness and housing instability.”* Read CHV's latest blog post to find out how you can make an impact.
