RBS SUPPORTS WATSON CENTRE SOCIETY FOR BRAIN HEALTH

With a thriving Personal Injury practice comprised of caring professionals, we understand the needs required by our clients to recover from traumatic injuries, and are committed to supporting the community we call home.

We have partnered with the Watson Centre Society for Brain Health by providing a monetary donation to assist in the organization's efforts to improve the standard of care required to transform the lives of individuals who have brain injuries.

Find out more about the Watson Centre Society for Brain Health [here](#).
