## **RBS PARTICIPATES IN HUNGER AWARENESS WEEK, MAY 7-12, 2012**

Close to 900,000 Canadians relied on food banks this past month - **The Greater Vancouver Food Bank** is one of Canada's largest food banks. Richards Buell Sutton has been an active supporter for a number of years. Beyond a financial support, RBS team members volunteer their time on a monthly basis to sort, organize and distribute items at the Food Bank's primary facility.

As part of Hunger Awareness Week, the team of Richards Buell Sutton will be raising money and purchasing nutritious lunches for a minimum \$5 donation.
