RICHARDS BUELL SUTTON LLP NAMED IN DELOITTE REPORT ON SHARED SERVICES

Richards Buell Sutton LLP is named in the *BC Post-Secondary Administrative Service Delivery Transformation Opportunity Assessment Final Report* prepared by Deloitte & Touche LLP, under the copyright opportunity profile, as a law firm with relevant experience in providing services to multiple institutions on a joint retainer basis. Deloitte was engaged by the Ministry of Advanced Education to identify potential shared procurement opportunities and related financial, legal and operational benefits, to achieve administrative efficiencies and cost savings, in areas including specialised copyright advice for academic institutions.
