## **SZE-MEI YEUNG AND SILVANA FACCHIN CONTINUE TO SUPPORT THE ASSOCIATION OF CORPORATE GROWTH (ACG BC)**

Senior members of our Business Law Group, Sze-Mei Yeung and Silvana Facchin, will continue to be active members of the ACG Programs Committee for the 2017- 2018 term. RBS recently organised and sponsored a panel that included KPMG Corporate Finance and Renaissance Merger & Acquisitions to discuss trends in mid-market M&A transactions. ACG BC was established in 1996 and is a local community for deal making and corporate growth. As the leading network for middle market M&A professionals, ACG BC focuses on educating transaction professionals on current trends and best practices, and facilitating relationships that are valuable in sourcing and successfully completing transactions.

Our firm's Mergers and Acquisitions (M&A) team are strategic advisors to buyers, sellers, and target companies in share and asset transactions, mergers, restructurings, amalgamations and plans of arrangement. To learn more about our M&A team, [click here](#).
