WELCOME BACK TO OUR 2023/2024 ARTICLED STUDENTS

Saad Patel and Varun Dhaul have returned for their articles. They rotate through our corporate/commercial and litigation programs to gain exposure to a broad variety of subject matters, and to get hands-on experience in a variety of practice areas.

Our students assist in all facets our dynamic legal practice, some of which includes meeting with clients, preparing documents, assisting in trial preparation, conducting small claims court trials, reviewing and drafting contracts, dealing with intellectual property matters, and conducting legal research.
