MICHELLE QUINN PUBLISHED IN THE LAWYER'S DAILY

Member of our Personal Injury Practice Group, Michelle Quinn, was published in the July issue of *The Lawyer's Daily*. Michelle's article "A Canadian first: Surrogacy fees awarded as cost of future care" examines a decision which awarded damages for surrogacy fees in *Wilhelmson v. Dumma 2017 BCSC 616* for the first time in a Canadian court. This award is unique and an important development for personal injury law practitioners. To read the full article, [click here](#).
