## **NICOLE MANGAN PUBLISHED IN THE LAWYER'S DAILY**

Is the evolution of automobiles worth the insurance risk? Driverless vehicles are now changing the automobile industry, and it will influence how auto insurance risks are evaluated. Member of our Insurance Practice Group, Nicole Mangan, recently authored an article that outlines the impact driverless vehicles have on insurance policies and automobile collision liability issues. Nicole's article entitled "Automated vehicles bring looming liability challenges for insurers and lawyers", can be read here.
