WHEN YOU ARE READY, MAKE YOUR MOVE.

Our Business Law group regularly acts as legal counsel for buyers and sellers of BC based businesses – large or small, private or public. The second edition of Make Your Move is comprised of chapters that focus on key aspects, issues and documents involved in buying or selling a business; whether by way of a merger, acquisition or disposition from initial contact, vendor and purchaser due diligence, to completion and post-closing considerations. Our Mergers and Acquisitions (M&A) Team acts for both buyers and sellers, and we provide practical legal advice and solutions in diverse industries, both locally and in cross border transactions.

When you are ready to make your move, we can help. To better understand issues that can arise in M&A transactions, please contact Jeff Lowe, Q.C., Practice Group Leader of our Business Transactions group, at jlowe@rbs.ca.
