ABOUT US

Founded in 1871, we are the oldest law firm in British Columbia and one of the oldest law firms in Canada. Our librarian tells us we arguably have the coolest collection of old law books of any firm.

Today, we've benefited from more than 150 years of practising law, developing our knowledge and gaining experience, and by earning the loyalty of long-term clients. By Canadian law firm standards, we sit neatly and intentionally in the mid-sized law firm space with offices in Vancouver and Surrey, British Columbia. Our lawyers number in the 50's, we have more than two dozen paralegals, and we are supported by many long-term staff, as well as a loyal hard-working management team.

We are inspired by you, our clients. We understand your legal issue – whether large or small – matters greatly to you, whether you are an individual client with a personal matter, an entrepreneur with a business issue, an executive with a corporate issue or a large institutional client.

PRAC - Global Reach

The Pacific Rim Advisory Council (PRAC) is a unique strategic alliance within the global legal community, with unparalleled expertise on the legal and business issues facing not only Asia but the broad Pacific Rim region.

PRAC consists of 30 top-tier independent law firms with over 12,000 lawyers practising in key business centres around the world. Each PRAC firm maintains its independence and sole responsibility for services to its clients while responding to the needs of clients referred by other PRAC members. The PRAC network is premised on close professional and personal relationships among its members. As a member of PRAC, each firm counsel can offer:

- Timely advice on the laws and procedures of other nations;
- Skills in handling multinational matters through the assistance of PRAC member professionals already proficient in applicable foreign law;
- Introduction to other PRAC member firms for direct representation on significant matters; and
- Lawyers with access to current information on trends, developments and business climates.

For more information regarding PRAC or our international expertise, contact Joe Chan, at 604.661.9263.
